

A WINTER SOLSTICE FESTIVAL WITH GW HARDIN

Blessed Night Blessed Light

DENVER • DEC. 21, 2019 SATURDAY • 2-4 PM

Come celebrate an evening of togetherness as we usher in the Blessed Light to transform Chaos. From within us, as a people of Oneness, this shining flows forth flooding a world in turmoil with new possibilities. Open up our Greater-Selves as we enter into rituals of invocation, meditation, supreme gratitude, and sacred blessing. Celebrate being who we are! And lift up our world in the process.

1ST SEGMENT

Blessing of the Night ... opening sacred space ... ritual of Self-Healing

2ND SEGMENT

Transformation of Chaos to Holy Light ... opening ourselves as beacons of co-creation ... invocation of the Gatekeepers ... transmitting our sacred intentions to the world through the gateway and with the Xynchro.

3RD SEGMENT

Blessing of the Light ... ritual of common blessing ... affirm and send forth our blessedness as beings of the Light and co-creators of a new reality.
